Brand New Book ***** Print on Demand *****.Warning: The spells contained in this book are of the highest order of power. They are based on developments by an ancient order so secret it cannot be named. Unlike most New Age magical traditions these spells are not rituals designed to reinforce believe in them. Rather they are rooted in a much more ancient knowledge of an occult force that cannot fail. No faith is required. You do not even have to believe in them. Simply perform them without any active resistance or fear and they cannot fail. These spells activate a force more powerful than your thoughts about it. In fact, the most proper procedure is simply to follow the instructions then forget about the results entirely. The single exception is for spells involving direct interaction with dragons. Obviously one cannot experience any perception the mind refuses to accept. Clearly this would be in contradiction to natural law. It is forbidden by pain of death to reveal the source of the power that quickens the magic of the dragon. Nevertheless, any astute student of the occult or initiate of an authentic tradition will easily discern the supreme force operating at the heart of this mystery. This is not at all necessary for the effective performance of these spells. Such wisdom however does fill the sacred heart with joy.
