Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

THE OPERATIVE TREATMENT OF FRACTURES (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Operative Treatment of Fractures I have not attempted in: these pages to consider the subject of-the operative treatment of fractures in its entirety, but have confined myself more or less to dealing with general principles and with a sufficient number of examples to illustrate the views I have put forward. My thanks are due to Mr. Shenton and others for help in connection with the radiographs, and to the printers for the care they have bestowed upon the typography.
