SEVEN AMAZING CUTTING-EDGE THERAPIES (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book covers seven cutting-edge therapies which are so unusual that many readers may find them unbelievable, but all of them are genuine, and each of them has attracted a modest, yet significant, number of followers. Pending the completion of clinically controlled trials it is very likely that some of the therapies in this book will have an extremely beneficial and revolutionary impact on mainstream medicine. The book has been enthusiastically endorsed by qualified medical doctors: Dear Michael I thoroughly enjoyed reading your book and I attach my review. I wish you every success and why don t you let me have a copy when it is published so that I can direct appropriate patients to read it. With kind regards, Yours sincerely, Dr. Keith Bush, MB. BS. MD(Lond), FFSEM(UK), Consultant Orthopaedic Sports Physician. THE KB CLINIC, HARLEY STREET, LONDON Review of Seven Amazing Cutting Edge Therapies by Dr Keith Bush I found this book very refreshing and enlightening. It documents seven potential complimentary therapies for a multitude of challenging disorders. Some of these, such as the Epley manoeuvre and immunotherapy are now very much part of mainstream medicine. Certainly, the patient trapped by disease that has failed to respond to traditional therapies may find an alternative answer. Furthermore, it gives those of us in the medical profession much food for thought. Review (Foreword) of Seven Amazing Cutting Edge Therapies by Dr Joakim Litzberg M.D. (Sweden) Interesting, intriguing and entertaining! An expose of cutting-edge medical treatments. Dogs diagnosing earliest stage cancer; Psychedelic therapy that can successfully dissolve destructive thought patterns and relieve treatment-resistant depression; an innovative approach inspired by observations of animal behaviour in the wild, that can effectively treat seemingly intractable...
