Well, that was one right there, right? And that was another! What is a question? should be an easy question, but is it? Is a question just a sentence with vocal inflection, or one with a flamboyant period at the end? Or is it something more? Perhaps.it is a journey into someone else s mind! A magical transporter of thoughts, bringing brainwaves from one gooey, grey mass to another! A blending of two consciousnesses in an explosion of shared experience! Or maybe, they re just the inflection thing! Whatever questions are, they re here to stay, and you ll certainly be expected to ask one at some point. Just in case you aren t sure how to do that, this book is here to help! Cover and Illustrations by painter and poet Corey Humphrey, some of whose work can be seen here:
