

The Water Witch or the Skimmer of the Seas a Tale (Classic Reprint) (Paperback)

By J Fenimore Cooper

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Water Witch or the Skimmer of the Seas a Tale The facts of this country are all so recent, and so familiar, that every innovation on them, by means of the imagination, is coldly received, if it be not absolutely frowned upon. Perhaps it would have been safer to have written a work of this character without a reference to any particular locality. The few local allusions that are introduced are not essential to the plot, and might have been dispensed with without lessening the interest of the tale. Nevertheless, this is probably the most imaginative book ever written by the author. Its fault is in blending too much of the real with the purely ideal. Half-way measures will not do in matters of this sort; and it is always safer to preserve the identity of a book by a fixed and determinate character, than to make the effort to steer between the true and the false.
