In a tie-in to his film release and DVD study series, Dr. James Dobson presents principles for building a lasting legacy of faith for families everywhere. We live in a culture that seeks to destroy the embryonic faith of our children and usher them into politically correct ideology, godless systems of belief, and gross immorality that would have shocked previous generations. Today's Christian parents truly live in perilous times. But the good news is that you can be victorious in this battle for the hearts, minds, and souls of your precious children. Whatever stage you are in as a parent or grandparent, you can leave a spiritual legacy that will equip your children and grandchildren with an unshakable heritage of faith. How can you teach your children what matters most? By being intentional about their spiritual training. YOUR LEGACY will help you make that the central priority of your family.
