Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Healing the Highly Allergic Family is a book based on my 17 years of naturopathic medical practice. As a naturopathic doctor we always look for the underlying cause of disease. When I graduated school I was pretty convinced that allergies did not have a big role to play in health. However, now that I understand delayed effect allergies (IgG) I can see how many of my patients have been affected by these hidden allergies. Includes information on how to order the test for yourself and your family.
