

## A Utopia Like Any Other: Inside the Swedish Model (Paperback)

By Dominic Hinde

LUATH PRESS LTD, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. A Utopia Like Any Other is an accessible and easy to understand guide to contemporary Sweden and its politics. Part travelogue, part academic primer and part reflection on our own need for utopias, the book takes readers on a journey from the 1930s to the present day and from an Arctic iron mine to the suburbs of Shanghai. On its way it features a migrant camp, political festivals, radical feminist activists and concrete housing projects, TV talk shows and celebrity economists, faded bathing resorts, neo-Nazis, and the Scottish independence referendum. All of these different locations and characters are used to explain the Swedish model; what it is, how it works and what it means for the rest of the world.
