Now her child is an adult, and the finer points of English grammar have lost their allure. The Second Intifada is raging in Israel, and Jennifer turns her attention to the news, and the handsome British A2Z reporter who presents it. But when the reporter himself becomes the news, Jennifer's life takes a stunning turn. She seems to have bitten off more than she can chew; and that's in addition to the chocolate. This new novel about the tribulations of a modern Israeli woman will stir readers with its evocative story and characterizations of a life lived with the violence towards civilians based on the demonization of Israel by its enemies.
