Kent State University Press, United States, 1990. Paperback. Condition: New. New. Language: English . Brand New Book. The short-lived but remarkable correspondence presented in Letters to Lalage took place toward the end of Charles Williams life. Louis Lang-Sims was not the first young woman to seek his help or to fall beneath his spell. When she wrote to him in September 1943 Williams had already had numerous admirers, pupils, and disciples who looked to him for counsel, for advice, and most especially, for encouragement. His affinity with Louis Lang-Sims was not surprising. Some thirty years younger than he was, she was in due course herself to become a forceful and individual writer whose literary output, though relatively small, was almost as varied as Williams own. Letters to Lalage enables us to study his involvement in one particular relationship with one particular person. As such they form an invaluable supplement to the more general accounts of Williams life supplied by his biographers. As a writer Williams blends to a remarkable...
